Heather and Laura-

This is the list that we are publishing in the federal register notice as to which monuments are under review. Note it has been modified from the last list based on some data tweaks, etc. We are also soliciting comment on other monuments that should be reviewed.

Randy is point on this so he can answer questions. Randy if this list changes please let them know.

Laura, please let me know if I can confirm to ME media that the KWNM will be reviewed. That one is less than 100k acres so it wasn't on the list. Also, it's a priority of the Gov you may recall.
